### ***Municipal Complex Administrative Services Main Entrance Closed for Maintenance Work in the Rotunda***

Construction will begin on Monday, November 11 to repair water damage caused by roof leaks in the Municipal Complex rotunda. The Municipal Complex main entrance to administrative services will be closed during the construction period. Administrative services will be accessible through the entrance on the west side of the Municipal Complex. The Police Department will be accessible through the main rotunda entrance. Signage will be in place directing visitors to the appropriate entrance.

Residents will still be able to drop off batteries for recycling. The battery buckets will be relocated to the west entrance. The prescription drop off program will be suspended for six-weeks.

The west entrance of the Municipal Complex will be open Monday through Friday from 8:00 a.m. – 5:00 p.m. for public access.
