City Re-Starts Rental of Indoor Facilities; Meetings Open to the Public

On March 10 the City announced opening rental facilities and programming in a tiered approach with plans to evaluate opening indoor facilities on May 1. After reviewing the current downward trend of COVID-19 cases and hospitalizations in Denton County, the City will open all rental facilities effective May 1.

The City will include CDC guidelines in all rental facility agreements and encourages the public to adhere to the guidelines. Face coverings are encouraged when indoors.

Face coverings remain required inside City facilities and for Senior All-Star programming. Highland Village employees will wear face coverings when interacting with the public and within their work environment when not able to maintain six feet social distancing.

Additionally beginning in May, City Council and Board and Commission meetings will open to the public with social distancing in place for attendees.

City officials will continue to monitor COVID-19 trends and adjust use of City facilities if needed.

Upcoming events:

- Paper Shredding Day at Pilot Knoll Park will take place on April 24 and is for Highland Village residents only.
- The Highland Village Art Festival will take place at The Shops at Highland Village on May 1.
- Movies in the Park are scheduled for May 14 and May 21.
