### ***Council Awards Contract for Phase 1 Street Improvement Project***

At the May 23 meeting, Council approved a resolution awarding the Phase 1 Street Improvement Project to Reynolds Asphalt and Construction Company for \$1,342,935.50. The City's pavement evaluation program identified streets that require pavement improvement. The project will take place in phases, beginning with Phase 1, which will include improvements to Glenmere Drive, Camden Drive, Turpin Drive, La Mesa Drive, Medina Drive (from Brazos Blvd. to just south of La Mesa Drive), Catlin Circle, Catlin Terrace, Raney Drive, Moran Drive and Lakeland Drive. Full depth reclamation will be done on these streets. This project is funded through the 2022 Street Bond Program.

Council members Brian Fiorenza and Rhonda Hurst were appointed to the Highland Village Community Development Corporation Board of Directors to fill the vacancy left by Mike Lombardo and Tom Heslep. The HVCDC Board of Directors is composed of seven members with at least three members serving as Citizen Members and four serving as City Representatives, which can include City employees, officers, or members of the City Council.

Council received a presentation on options to enhance vehicle and pedestrian safety traveling near the intersection of Lakeside Drive/Hillside Drive and Lake Breeze. Staff presented different traffic calming options as well as the results of a survey of the residents in the area. The survey asked residents if they were in favor or not in favor of changing the two-way stop to a four-way stop at the intersection. The targeted survey included 48 properties in the immediate area of the intersection with 33% in favor, 27% not in favor and 40% no response. Council considered an ordinance to change the two-way stop to a four-way stop and the motion failed by a vote of 5-2.

During Mayor and Council Reports, Mayor Jaworski recognized Willow Shattuck, a Highland Village Elementary School student, as the Mayor for the Day.

During the City Manager's Report, the [Village Report](#) provided a recap of Celebrate Highland Village event, and informed residents of summer recreation programs and activities and welcomed four new businesses to Highland Village.
