Council Approves Contract for Highland Shores Asphalt Overlay Project

At the January 9 meeting, Council approved the contract with Jagoe-Public Company for the Highland Shores Asphalt Overlay Project. The project includes asphalt overlay on Highland Shores from Highland Village Road to Briarhill Boulevard and the improvements to the pedestrian crossing at Community Center Drive. This section of Highland Shores Boulevard was restored by full depth reclamation in 2009, making the asphalt overlay all that is needed to maintain the roadway, further increase its longevity, and maintain good ride quality. Traffic calming measures to include narrowing the traffic lanes and adding a pedestrian lane is included in the project. The asphalt overlay and improvements to the cross walk are included in the current CIP. The contract with Jagoe-Public for \$668,791.25 is funded through the 2022 bond program.

Council appointed a member to fill a vacancy on the Board of Ethics.

During the Mayor and Council Reports, Hazel Speers served as Mayor for the Day. Ms. Speers, a Highland Village resident and student at Founders Classical Academy, assisted Mayor Jaworski at the Council meeting.

During the City Manager and Staff Reports, Paul Stevens reminded residents of the Daddy Daughter Dance, the new Republic Services customer service number and provided an update on the Highland Village Road and Highland Shores traffic signal project. The Village Report included the [Experience Highland Village video](#) featuring Bowery Park and the re-designed mural created by artist Brinley Ash.

The City Council early work session and regular session is available on HVTV (Frontier 43) and via website live streaming at www.highlandvillage.org/hvtv and on the City's YouTube channel at www.youtube.com/highlandvillagetx. The meetings are also available for on-demand viewing on the city [website](#).
